Dear Mr. Dabelstein,

Thank you very much for your letter of February 28, 1972 in which you report reception of ZBVI.

We wish to confirm your report. ZBVI is always interested in hearing from listeners far afield and this is one of the few reports we've received from Nebraska, although reports from other parts of the United States are quite common. I hope you will be able to tune in to ZBVI again, for a much longer period and without much interference.

With best wishes and 73's,

Sincerely,

Leopold N. Mills,
Manager.
